## About ACT

Alchemy Charitable Trust (ACT) has been established to provide support and assistance to families and individuals living in West Kent and Sussex who face exceptional need.

Our approach is discreet, positive and practical. We have all encountered times in our lives when we have faced unexpected financial demands, pressure or hardship when, no matter how hard we have tried, worked or saved, we simply cannot find the funds or help we needed to resolve the problem.

For some, family or friends, the State or other charities are able to provide the necessary support but for others their needs fall outside the usual parameters for State or charitable assistance and there appears nowhere else to turn.

It is to help these families and individuals, already doing everything for themselves, that Alchemy Charitable Trust (ACT) has been founded.
